What

Pickin' in the Pines, first held in 2006, is an award-winning bluegrass & acoustic music festival founded by the members of Flagstaff Friends of Traditional Music; a 501(c)3 Nonprofit organization. The festival honors the interests of the diverse membership of FFOTM featuring the best national, regional and local musicians performing traditional and contemporary bluegrass music complemented by other styles of acoustic music and dance. Although bluegrass music is a primary focus of our festival, we also feature old-time music, Celtic, gypsy jazz and more. The festival features educational workshops, a band contest, children's activities, camping and jamming in a family-friendly setting.

Voted "Best Festival" in 2017, 2018, 2019 & 2021 by readers of the Arizona Daily Sun and awarded "Outstanding Arts Event" winner by the Flagstaff Arts Council in 2010.

Who

In 2022, Pickin' in the Pines will be held over 3 days, September 16 - 18 at Pepsi Amphitheater at Ft. Tuthill in Flagstaff, Arizona and will attract an estimated 3,500 guests. The festival draws its audience from Flagstaff and Northern Arizona, the greater Southwest including the Phoenix metro area, Tucson, New Mexico, Nevada, Colorado and California, elsewhere in the United States, Canada and Europe. Past festival surveys indicated that 98% of attendees rated the overall event a 4 or 5 on a scale of 1-5 (quality production effort); 68% live more than 30 miles from Flagstaff (visitors that need services), 35% camped, 14% stayed in hotels (generating .24 room nights per respondent); 46% attended the event previously (generating loyal audience). The Pickin' in the Pines attendee has disposable income and is anxious to support the businesses that sponsor our event.
